

Prayer to the Seven Sacred Directions

(Facing the East)

I bow now to the direction of the East, I give thanks and receive the rising Sun and rising Moon, birth and rebirth, winds that bring new beginnings and clarity, new days and a new cycles, open horizons, spring time, planting seeds, abundance, prosperity, and gratitude.

Beloved Spirits of the East, Beloved Aries and Thor, Beloved fairies, sylphs, and all elementals of the Air, I love and honor you. May wisdom dawn in me so I may see all things in clarity.

(Facing the South)

I bow now to the direction of the South and give thanks and receive growth and healing, the midday Sun and Moon, the spark of life, the fire within, connection with our inner child, summer time, passion, creativity, inspiration, joy, and music.

Beloved Spirits of the South, Beloved Helios and Vesta, Oromasis and Diana, Beloved Astrea, Beloved salamanders, and all elementals of the Fire, I love and honor you. May the action of the sacred fire ignite the joy and passion within me.

(Facing the West)

I bow now to the direction of the West, I give thanks and receive the setting Sun and Moon, the ending cycles, Autumns' bountiful harvest, change, dreams, visions, and emotions.

Beloved Spirits of the West, Beloved Neptune and Lunara, Beloved undines, and all elementals of the Water, I love and honor you. May wisdom be transformed into right action, so I may do what must be done.

(Facing the North)

I bow now to the direction of the North, I give thanks and receive wisdom, knowledge and discernment, stillness, winter time, nighttime, introspection, ancient knowledge from our Earth ancestors, the elements and foundation of the Earth, strength, and courage.

Beloved Spirits of the North, Beloved Virgo and Pelleur, Beloved fairies, gnomes, and all elementals of the Earth, I love and honor you. May wisdom evolve in me so I may know all from within.

I bow now to Beloved Father Sky Above, I give thanks and receive the blessings and the guidance of the Company of Heaven, the Galactic Federation of Light, and our Spirit Guides. May my galactic brothers and sisters and ancestors unite with me now.

I bow now to Beloved Mother Earth Below, I give thanks and receive the blessings and the guidance of Mother Gaia, the nature and devic spirits, crystal and mineral kingdoms, the Sacred Core, and the light beings from the Inner Earth. May the heartbeat of her crystal core bless me with peace and harmony.

And I bow to our Beloved I AM Presence in the Center of our hearts, I give thanks and receive balance, sacred union, oneness, and transformation. May freedom be our victory in the light.

And so it is!
